QUICK-FLIP™ CASE

QUICK-FLIP™ CORNER

Case corner is specially designed to flip open and reveal the corner of your iPhone so you can quickly mount the olloclip lenses.

SHUTTER RELEASE

Case corner rotates to create an easy-to-use shutter release with the + button on your device.

Designed for use with the iPhone 5/5s, 4/4s and iPod Touch 4th/5th generation.

PRO-PHOTO ADAPTER

Provides mount points for tripods, lights and other photo and video accessories.
