

## 4-IN-1 PHOTO LENS

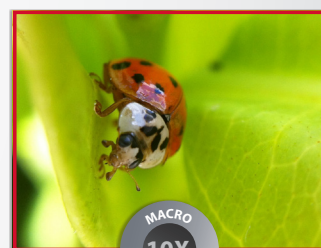

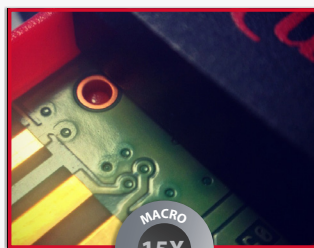

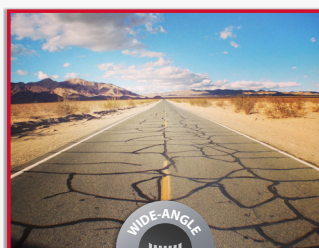

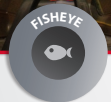

### THE OLLOCLIP 4-IN-1

The olloclip® 4-IN-1 Photo Lens is a quick-connect lens solution for the iPhone or iPod touch. It includes a Fisheye, Wide-Angle and 2 Macro lenses (10x and 15x) in one small, convenient package that easily fits in your pocket and the palm of your hand.

The olloclip 4-in-1 Photo Lens connects to your iPhone in seconds so you'll be sure to capture just the image you want, wherever you want. If you don't see the picture you're looking for, just flip it over and switch the lens. It's that easy.

The minute you clip one on, your imagination will start to run wild. We guarantee it.
