

The Pivot

Minimal elegance of the highest level, the Pivot is the perfect compliment to any desktop environment. Handsome in the office - utterly chic at home, the Pivot is the ultimate in Ipad + Wallee style. Formed from precision cut brushed Aluminium, it matches your Ipad pound for pound in the looks department. The Pivot's built in swivel means you can achieve the perfect viewing angle every time, and like all Wallee accessories, a simple twist and the Ipad swings between portrait and landscape orientation effortlessly. The most seamless 'iMac-style' stand, our patented centrally located locking 'X' mechanism means the Ipad appears to almost float when docket to the Pivot stand.
