

## Stream & Watch live TV, your favourite movies & series with SMARTSTICK

### Everyone deserves a SmartTV

The SMARTSTICK gives you instant access to endless entertainment. Your favorite movies and TV-shows. All the best music. Radio from around the world. And much more. Everything that every movie and music streaming service offers.

### For any TV with HDMI

The SMARTSTICK is truly hassle free and comes with direct access to the most popular services, such as Netflix, HBO Nordic, Viaplay and more. And there are practically no limits. Everything that Google Play has to offer you can get directly on your TV. In HD.

### Pre-linked for your country

Straight out the box SMARTSTICK comes with access to loads of movies and TV shows provided by the most popular streaming services. Simply select your country when setting up and you will get the most popular services in your country. If your favorite service is not listed, you'll find it in Google Play. Install it and you are ready to go.

### Get your Freedom back

Not enough? Just go to the Google Play store, download the desired App and install it directly on your TV. Subscription may be required to access some content.

## Lots of extra Options

The small and elegant SmartStick is an instant Smart TV upgrade for any TV with HDMI. Simply install the SmartStick directly into the HDMI of the TV and get going in a few easy steps. The SmartStick comes with plenty of extra options - connect accessories to the extra Micro USB or install a Micro SD card if you need extra storage.

## Air Remote included

The remote control is a joy to use. The Air Mouse function lets you move the cursor freely around the screen. Making it truly easy to use whether you want to choose a movie, a TV channel, fill out a text form, or play games. The remote control does not need 'line of sight' to control the SmartStick - so it is OK to put it in the cupboard.

## Whats In the box

- GoAllTV SmartStick
- Air Remote with Air Mouse function
- HDMI cable male to female (34 cm) - needed if there is not enough space behind your TV
- Power supply with 3 meter cable
- A Getting Started Guide
