# Cordless Desktop Comfort Laser

The Logitech® Cordless Desktop® Comfort Laser is the premier choice for those who prefer a split-key layout. The ergonomic cordless keyboard offers personalised comfort, with three angle settings and a detachable soft palm rest, while the cordless laser mouse with tilt wheel enables one-touch navigation, super-precise tracking and a soft grip for enhanced comfort. Additional keyboard and mouse controls offer zoom features, or music and video playback functions such as play, pause or volume. Easily launch Windows Calculator, your favourite applications or web pages right from the keyboard. Sophisticated power management technology provides long battery life.
