

Logitech®

# Deluxe 660 Cordless Desktop

## Accessible and affordable cordless technology

Accessible and affordable cordless technology for all PC's ! The ideal desktop for bundling with any home PC, Logitech's Deluxe 660 Cordless Desktop is your assurance of industry-leading performance in 27MHz cordless technology. It features an industry standard key layout with spill-resistant design. Simple to install, the essential Calculator, Email and Internet hotkeys will work out of the box without having to load any additional drivers. Additional multi-media controls can be accessed using the Fn button. Its commercial brown-box package makes it ideal for system builders wishing to bundle a durable and reliable cordless desktop.

- Industry standard key layout with full-size F-row keys
- 3 one-touch hotkeys for access to web, e-mail and calculator.
- Enhanced multi-media functions accessible on the F-keys
- Spill-resistant design can handle minor spillages
- Plug and play – no drivers required in Windows(R) XP or higher
- 3-Button Cordless 800dpi optical mouse with tilt & zoom wheel
- Fully Windows Vista Premium compatible with new Windows start key
- Slim-line USB desktop receiver
- 3 Year guarantee
